

## **i2S Group sells controls division to Carrier Corporation**

● **November 20th 2009, London** - i2S Group Limited ("i2S") announced today that it has sold its controls division to Carrier Corporation, a unit of United Technologies Corporation.

i2S is a leading provider of integrated building control and data communication systems primarily for commercial office buildings and data centres. Employing around 110 people in key locations around the UK, including London, Maidstone, Milton Keynes and Cambridgeshire, i2S has a client base that includes leading names such as Canary Wharf, Fujitsu, Bloomberg, ICAP, HP Enterprise Services, Aviva, Nomura, UBS and Amec.

Carrier Corp., headquartered in Farmington, Connecticut (U.S.A.), is the world's largest provider of air-conditioning, heating and refrigeration solutions, with a focus on innovation and environmentally sound products and services. Carrier is part of United Technologies Corporation (UTC), a provider of products and services to the aerospace and building systems industries worldwide. UTC businesses include Carrier heating, air-conditioning and refrigeration solutions, Hamilton Sundstrand aerospace systems and industrial products, Otis elevators and escalators, Pratt & Whitney aircraft engines, Sikorsky helicopters, UTC Fire & Security systems and UTC Power fuel cells.

Following this sale, i2S will pursue its strategy through its subsidiary ITM Communications Limited ("ITM"). ITM will operate under the new domain name of [www.itm.uk.com](http://www.itm.uk.com). Kelso Place Asset Management will remain as the majority shareholder whilst the management team are taking an increased stake in the business.

*"This is an exciting time for ITM. Our strategy is to continue to grow the business in the five key areas of Structured Cabling & Connectivity, Network Infrastructure & Security, IP Networked Energy Management, Data Centre Infrastructure and Managed Services & Support.*

*With a highly focused management team, the continued support of Kelso Place and our loyal staff and partners, we aim to become one of the leading providers of these services in our chosen markets.*

*We will continue to adopt a flexible approach to meeting client requirements by applying best of breed technology, in-house expertise and innovation, to deliver compliant solutions and services that offer value for money and achieve industry best practice.*

*The new website and subtle branding changes reflect this strategy and can be seen at [www.itm.uk.com](http://www.itm.uk.com)"* commented Mark Barber, ITM's Sales & Marketing Director.
